**Institutional Research
Grant Application**

Last Updated Nov 2022

FOLLOW INSTRUCTIONS CAREFULLY – COMPLETE BOTH PAGES OF THE APPLICATION

All Applicants must submit with this completed application: a resume or CV, two letters of support, and a project proposal that includes the goals of the project, methods of achieving them, and the projected deadlines the project hopes to meet.

The Institutional Representative should be employed by the institution conducting the research. At least one of the Principal Investigators should also be employed by the institution. It is acceptable for the Institutional Representative and the Principal Investigator to be the same person. The institution must be an AAZK Institutional Member, but the Institutional Representative and/or Primary Investigator are not required to be AAZK Members.

Completed application and supporting materials should be emailed to Kendall Moore at grants@aazk.org
